SECTION B

QUESTION 6

Read the extract below and answer the questions.

This is a story of Anèle Mbisha.
As a teenage hustler he dealt drugs on the streets of Soweto to help his family. It was a rough, tough existence, and he was just 16 years old. He confessed that his mother and grandmother had taught him morals and principles, but that these changed when he started living on the streets. He admitted that at some point he tried to kill himself. He has deep-seated trust issues and he confessed that at an early age he was distrustful of people.

He became part of a global success story, performing on the record-breaking soundtrack for the hit movie, Black Panther, alongside super-star Kendrick.

[Adapted from*: Drum2 8 April 2019*]

6.1 From the extract, identify THREE ways in which drugs destroyed Anèle's life. (3)

6.2 Design a SWOT analysis of Anèle's strengths, opportunities, weaknesses and threats. Do not use the exact (same) words from the extract above. (5)

6.3 Name the ONE multiple intelligence that would best fit Anèle. (1)

6.4 Briefly explain the intelligence that you selected in QUESTION 6.3 (1)

6.5 Parents and guardians have a duty to teach children morals and principles.

6.5.1 Explain TWO reasons why some children are taught good morals and principles but end up using drugs. (4)

6.5.2 NameTWO support services that are available if someone does want to stop using drugs. (2)

6.6 Give TWO reasons why you think Anèle tried to kill himself. (4)
