|-----|-------|--|---------|-----|
| 1.3 | 1.3.1 | PERSONALITY | | |
| | | Personality can influence communication like you may be dealing with a number of colleagues during the day, or you may be dealing with a variety of clients. In whatever the situation, you need to know as much about the person as possible. Establish is the person is shy, outgoing, calm, confident or the opposite of all these. You need to try to relate to the person's personality and interests and never try outsmarting and making the person feel small. | | |
| | 1.3.2 | Frame of reference refers to the circumstances in which the individual makes decisions and forms opinion. When a person voices and opinion, he/she will have formed that opinion based on personal circumstances, experiences and values. | | |
| | | Take into consideration possible cultural differences and show respect for values and ideas at all times. | | |
